

Case Study

Lottie was struggling with a lack of motivation and had poor college attendance. At the request of her parents and the college, Lottie signed up to New Leaf

1-2-1 mentoring to help get young people into work or education

Lottie was suffering from a lack of confidence and low self-esteem, so signed up to NCS with her friend Amy who was in a similar situation in life. After they both completed NCS they were really motivated to return to college. They are both now at Warrington & Vale Royal College.

Following NCS, Amy is now on a travel and tourism course and has also secured a part-time job sporting a local disabled person with independent living. Lottie is training to become a motor mechanic.
